

Aberfeldy Parish Church

Pioneer Minister

Could you be our first ever Pioneer Minister?

We are looking for an individual who is passionate about sharing the Christian faith with the people of Scotland, and who has a passion for bridging the gap between the Church and people who don't go to Church. We are looking for someone who is willing to experiment with new ideas, who is willing to take risks, who wants to find new ways of the life of the Church engaging with contemporary culture.

As Pioneer Minister you would be working closely with our minister and as part of our vibrant ministry team. Over a number of years, we have been making great connections with our community and seen our youth, anti-poverty and environmental work flourishing. Where we need help is in supporting our minister in leading worship (he has responsibility for a three other congregations) and in seeing people come to faith.

Are you already a minister in a Christian denomination, or someone who has studied theology? Are you someone who has experimented with new ways of being the Church in contemporary culture and across generations? Are you someone who has a passion for leading worship and sharing the scriptures? If so, we would love to hear from you.

Aberfeldy Parish Church is an energetic and committed Christian community situated in the heart of Scotland. We want to find new ways of connecting with the people of our town and our surrounding communities. We want someone to work with us and help lead us as we face these challenges.

At the heart of this role will be leading worship in our existing congregation, developing a new worshipping community and making new disciples. The salary is £31,642-£38,884 depending on experience.
